EXHIBIT “FROM MY LIFE TO YOURS”

An exhibit by high school students on Fr. Luigi Giussani, founder of Communion and Liberation

Open to the public
Free of charge

This exhibit explores the impact of Monsignor Luigi Giussani's charisma on the high school environment in the U.S. The panels present some fundamental ideas of Fr. Giussani, with witnesses from students and teachers involved with G.S., the student youth of Communion and Liberation.

“From my first day of teaching, I always said, I'm not here so that you can take my ideas as your own; I'm here to teach you a true method that you can use to judge the things I will tell you. And what I have to tell you is the result of a long experience, of a two-thousand-year old history.”

We have been careful to respect this method throughout our efforts to educate and tried to clearly explain the reason for the method: to demonstrate the relevance of faith to answer life's needs.”

~Luigi Giussani, *The Risk of Education*
